

Complete your professional library with top sellers from the 2006 AAMA Symposium / ICMART Congress!

Dear Practitioner,

Thieme is pleased to announce the **top five bestsellers** from the 2006 AAMA/ICMART meeting. Even if you were not able to attend, you can still benefit from the state-of-the-art information that your colleagues found so useful. These were our **top five bestsellers**:

Strittmatter, Ear Acupuncture
Strittmatter, Identifying and Treating Blockages to Healing
Hempen, Pocket Atlas of Acupuncture
Schnorrenberger, Pocket Atlas of Tongue Diagnosis
Hecker, Microsystems Acupuncture

For more details on these and other acupuncture titles, click [here](#).

Best regards,
Angelika Findgott
Editor, Thieme Publishing Group
